## DJ Hulk – electronic music from Stuttgart

Under the name DJ Hulk, Holger Kampffmeyer has been active in Stuttgart's electronic music scene for years. His sound ranges from House and Tech House to Deep, Afro and Latin House, Techno and Drum n Bass.

He has played venues such as Romy S., EX-Club Zollamt and Mrs. Jones, performed at corporate events and afterhours for Vector, and is co-founder of the ToMaTe Stuttgart n.e.V. collective and the EM3F – Electronic Music Family and Friends Festival.

As a resident DJ he can be heard regularly on 365 FM Radio and CouchRadio. His weekly mixes are published on Mixcloud – with full tracklists and often as B2B collaborations with DJs from around the world.

### Press kit

DJ Hulk is the electronic music project of Holger Kampffmeyer from Stuttgart. He plays House, Tech House, Techno and Drum n Bass in clubs, at festivals and corporate events. He is co-founder of ToMaTe Stuttgart n.e.V. and the EM3F festival, and resident DJ at 365 FM Radio and CouchRadio.

## Booking formats

Whether club night, festival or corporate event – the set is tailored to the occasion, audience and time slot.

### Club night / label night

Tech House and House for club nights, label nights and afterhours.

### Festival / open air

Electronic music for festivals, city festivals and open-air stages.

### Corporate event / afterhour

Representative events, summer parties and afterhours with electronic sound.

### Private party / birthday

Parties with a musical focus – from House to Drum n Bass.

### Warm-up / support

Support sets for national and international guests.

### All night long

One night, one DJ – a musical journey through House, Tech House and Techno.

### DJ + equipment

DJ booking including PA, light and equipment via Sound & Licht Stuttgart.

# Technical rider

I prefer a classic CDJ setup. Alternatively, I bring my own laptop with a DDJ-1000 controller.

## 1 Preferred setup

- ✓ 2× Pioneer CDJ-3000 (or CDJ-2000NXS2)
- ✓ 1× Pioneer DJM-900NXS2 or DJM-V10
- ✓ 1× booth monitor
- ✓ 2× XLR cables to the PA
- ✓ Stable DJ table, at least 180 × 80 cm
- ✓ 2× power outlets at the booth

## 2 Alternative

- ✓ Own laptop + Pioneer DDJ-1000 controller (provided by artist)
- ✓ 2× RCA or XLR to mixer/PA
- ✓ 1× booth monitor optional
- ✓ Stable table and power outlet

## 3 Backup & schedule

- ✓ Own USB sticks and headphones
- ✓ Booth access 30 minutes before the set
- ✓ Water/soft drinks at the booth welcome
- ✓ Rates and travel costs on request

The full rider is included in the EPK PDF. For technical questions, just get in touch.

# Press kit & EPK

Everything for bookers, promoters and press: EPK as PDF, press photos, logo, short bio and technical rider.
